

COUNTY OF FAIRFAX, VIRGINIA

# Proclamation

**WHEREAS**, energy efficiency is the art of getting the same or better performance using less energy — all while cutting utility bills for residential, business and industrial customers; and

**WHEREAS**, the Fairfax County Board of Supervisors adopted an Operational Energy Strategy in July 2018, which invests in the efficiency of the county's operational energy use; and

**WHEREAS**, Fairfax County is committed to reducing greenhouse gas emissions in the region and working with other jurisdictions to promote sustainable energy practices, most recently initiating a regional agreement for more LED streetlight options; and

**WHEREAS**, Fairfax County will continue to promote energy education, energy efficiency and energy savings programs for all residents and businesses; and

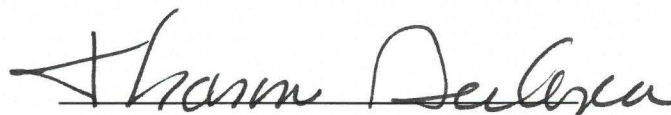

**WHEREAS**, residents and businesses can contribute to the county's sustainability efforts by learning more about energy efficiency and practicing smarter energy use in their daily lives;

**NOW THEREFORE**

**BE IT RESOLVED**, that the Fairfax County Board of Supervisors, on behalf of all residents of Fairfax County, does hereby proclaim October 2, 2019, as.

## Energy Efficiency Day

in Fairfax County, and urges all residents to work toward energy efficiency now and in the future.
