

*Executive Order*

*From the*

*Office of the Mayor*

*Whereas*, A nationwide network of energy efficiency groups and partners has designated the first Wednesday in October as national annual Energy Efficiency Day; and

*Whereas*, Smarter energy use reduces the amount of electricity needed to power our lives, which helps avoid power plant emissions that can harm our health, pollute our air, and warm our climate; and

*Whereas*, Cutting energy waste saves U.S. households billions of dollars on their utility bills every year, up to \$500 per household from appliance efficiency standards alone; and

*Whereas*, Energy efficiency makes our homes and workplaces healthier, safer, and more comfortable; and

*Whereas*, Supplementing energy efficiency and other clean energy policies and programs can help boost economic opportunities and job creation while continuing to move Albuquerque toward a sustainable future; and

*Whereas*, Together we can continue to contribute to our sustainability efforts by learning more about energy efficiency and practicing smarter energy use in our daily lives; and

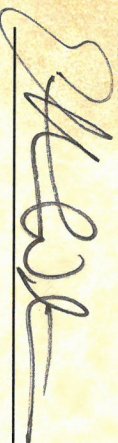

*Now, Therefore*, I, Timothy W. Keller, Mayor of the City of Albuquerque, do hereby proclaim, October 6, 2021, as:

*"Energy Efficiency Day"*

Timothy W. Keller, Mayor

*Witness:*

Ethan Watson, City Clerk

81-77

Order No.
