## Proclamation

*Presented on behalf of the West Hollywood City Council to*

# Energy Efficiency Day

**WHEREAS,** Energy Efficiency Day was created through a nationwide network of energy efficiency groups and partners, and is recognized on the first Wednesday in October; and

**WHEREAS,** Energy Efficiency Day was created to promote the benefits of energy efficiency and encourage the comprehensive reduction of energy consumption through reasonable and sustainable energy use; and

**WHEREAS,** implementing energy efficiency and other clean energy policies and programs reduces the amount of electricity needed to power our lives, which helps avoid power plant emissions that have harmful effects on climate and human health, and air quality; and

**WHEREAS,** reducing energy waste saves U.S. households billions of dollars on utility bills every year, averaging close to \$500 per household from appliance efficiency standards alone; and

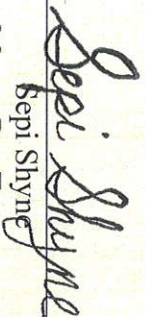

**WHEREAS,** the City of West Hollywood holds a deep commitment to sustainability and preserving our environment and thoughtfully strives to reduce its environmental footprint in ways that prioritize equity and justice, values reciprocity, and mitigates unintended consequences; and

**WHEREAS,** West Hollywood recognizes the importance of enhancing energy efficiency and urges West Hollywood residents and community members to participate in Energy Efficiency Day by exercising energy saving practices such as using renewable energy sources instead of fossil fuels, promoting responsible consumption, and recycling, among other things.

**NOW, THEREFORE, BE IT RESOLVED,** that the West Hollywood City Council hereby recognizes Energy Efficiency Day in the City of West Hollywood and encourages residents and community members to participate.

*Resolved this 5<sup>th</sup> day of October, 2022*
