

proclamation

**Florida Climate Week | October 2-8, 2023
and
Energy Efficiency Day | October 4, 2023**

WHEREAS, energy efficiency is a cost-effective and environmentally friendly solution that not only meets energy needs and reduces utility bills, but also promotes healthier, safer and more comfortable living, while significantly contributing to climate goals for pollution reduction; and

WHEREAS, the residents and businesses of Winter Park can continue to contribute toward energy-efficiency efforts by going solar and participating in Winter Park's Energy Conservation Rebate Program; and

WHEREAS, the City of Winter Park is committed to reducing its energy usage in city facilities; and

WHEREAS, residents are encouraged participate in the various educational programs available during Florida Climate Week by accessing FloridaClimateWeek.org; and

WHEREAS, the VoLo Foundation and its collaborators are dedicated to educating residents and visitors of Florida about science-based climate solutions by empowering them to take action; and

WHEREAS, a nationwide network of energy efficiency groups and partners have designated the first Wednesday in October as annual Energy Efficiency Day.

NOW, THEREFORE, I, Phillip M. Anderson, by virtue of the authority vested in me as Mayor of the City of Winter Park in the state of Florida, do hereby proclaim **Monday through Sunday, October 2-8, 2023**, as "**Florida Climate Week**" and **Wednesday, October 4, 2023**, as "**Energy Efficiency Day**" in Winter Park, Florida.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Winter Park, Florida, to be affixed this 27th day of September 2023.

Phillip M. Anderson
Mayor
