

Proclamation

- Whereas, energy efficiency is the cheapest, quickest, and cleanest way to meet California's energy needs, avoid dangerous pollution, and reduce utility bills for residents and business in our community; and*
- Whereas, implementing energy efficiency and other clean energy policies and programs can help boost economic opportunities and job creation while continuing to move the City of Manhattan Beach toward a sustainable future; and*
- Whereas, smarter energy use reduces the amount of electricity needed to power our lives, which helps avoid power plant emissions that can harm our health, pollute our air, and warm our climate; and*
- Whereas, for cities and states like ours that are trying to tackle harmful pollution, energy efficiency can get us about halfway toward our emissions reduction goals; and*
- Whereas, energy efficiency makes our homes and workspaces healthier, safer, and more comfortable; and*
- Whereas, cutting energy waste saves U.S. households billions of dollars on their utility bills every year, up to \$500 per household from appliance efficiency standards alone; and*
- Whereas, a nationwide network of energy efficiency groups and partners has designated the first Wednesday in October as national annual Energy Efficiency Day; and*
- Whereas, together we can continue to contribute to our sustainability efforts by learning more about energy efficiency and practicing smarter energy use in our daily lives.*

Now, Therefore, Be It Resolved that I, Hildy Stern, Mayor of the City of Manhattan Beach, California, on behalf of the City Council and the residents of Manhattan Beach, do hereby proclaim October 6, 2021 as

Energy Efficiency Day

and urge citizens to join in supporting our clean energy goals and moving toward more energy efficiency now and in the future.

Dated this 5th day of October, 2021.
