

Borough of West Chester

Office of the Mayor

Dianne Herrin

Proclamation

Energy Efficiency Day

October 7, 2020

Whereas: Energy efficiency continues to be the cheapest, quickest, and cleanest way to meet our energy needs and reduce utility bills for residential, business, and industrial customers; and

Whereas: Implementing energy efficiency and other clean energy policies and programs helps boost economic opportunities and job creation while continuing to move toward a sustainable future; and

Whereas: For cities and states tackling harmful pollution, energy efficiency can help get them to their climate goals and is the foundational step to assess the needs for local renewable energy generation; and

Whereas: Cutting energy waste saves U.S. consumers billions of dollars on their utility bills every year, up to \$500 per household from appliance efficiency standards alone; and

Whereas: Together, the residents of West Chester Borough can continue to contribute to our sustainability efforts by learning more about energy efficiency and practicing smarter energy use in their daily lives.

NOW, THEREFORE, BE IT RESOLVED, I, Dianne Herrin, Mayor of the Borough of West Chester, do hereby proclaim October 7, 2020 as Energy Efficiency Day in the Borough of West Chester and urge citizens to join us in supporting our clean energy goals and moving toward more energy efficiency now and in the future.

In Witness Whereof, I have hereunto set my hand and caused the Seal of the Office of Mayor to be affixed on the 7th of October 2020.

Dianne Herrin
